APPLICANT

To ensure proper consideration of this application the following must be completed:

1. All township zoning requirements including minimum road frontage and lot size must be met. For this information, contact the township Zoning Inspector.
2. All Ohio Revised Code regulations concerning minor land divisions and Perry County Subdivision Regulations are met:
 - a) No more than 4 minor, non-exempt lot splits are permitted from an original tract.
 - b) Obtain new address from the Perry County Engineer's Office for split.
 - c) The Perry County Health Department requires a minimum of 1 acre of usable land for lots not on central sewer systems. In order to determine the suitability of a lot for an on-lot sewage system, a Sewage Site Evaluation (\$100 per lot) must be completed for each lot before approval of the lot split. Please contact the Perry County Health Department at 342-5179 for application information.
 - d) Proposed driveway locations for each lot must be staked for inspection.
3. Both the applicant and surveyor's section of the application must be filled out in their entirety.
4. One (1) copy of the survey and One (1) copy of the legal description completed by the State of Ohio Registered Professional Surveyor must accompany this application.
5. The lot split fee of \$200 per lot must accompany this application. It is preferred that all fees are paid with personal check or money order.

When completed, bring these forms or mail them to the Perry County Engineer's Office,
2645 Old Somerset Road, New Lexington, OH 43764

**EACH OF THE ABOVE ITEMS MUST BE COMPLETED,
OTHERWISE THE APPLICATION WILL BE RETURNED TO THE APPLICANT**

SURVEYOR

The following information is required for all surveys accompanying a lot split application:

1. Proposed division of land, including the dimensions of the entire original tract. A thumbnail sketch of vicinity map or a copy of the tax map for the original tract would be sufficient.
2. Owner of parcel and all adjoining parcels.
3. Dimension and location of lot lines of proposed lot(s).
4. Following all Engineering Department regulations. (See map department copy.)
5. Any adjoining public road, road right-of-way, zoning, or subdivision setbacks, and distance to the nearest driveway or intersection in each direction within 1,000 feet along the road frontage. Driveway distances should be noted on the application form.
6. 100-year flood boundary and floodway if it exists anywhere on the original tract.

**THIS MUST BE COMPLETED, OTHERWISE THE APPLICATION WILL BE RETURNED TO THE
APPLICANT**

AFTER PLANNING APPROVAL

The following must be completed in order:

1. A professional deed must be prepared for the proposed lot.
2. Bring a copy of the new deed, survey, legal description, and approved lot split application form (this document) to the County Engineer's Office (342-5541).
3. Bring all completed forms and deed(s) to the County Auditor's Office (342-2074) in the County Courthouse.
4. Bring all completed forms and deed(s) to the County Recorder's Office in the County Courthouse to make the proposed lot an official lot of record.

BEFORE BUILDING

The following must be completed:

1. Obtain a Water Well Drilling Permit and/or Home Sewage System Permit if either is necessary from the Perry County Health Department. If proposed structure is either multi-family housing, commercial, or industrial, please contact the Perry County Health Department for permit requirements.
2. Obtain a township Zoning Permit from your township Zoning Inspector. For a list of zoned townships and Zoning Inspectors please call the Perry County Engineer's Department 342-5541.
